Rob Zappulla Celebrates Herb

Alpert & Sergio Mendez

Featuring Rob's 10-piece Orchestra

Tuesday, October 13, 2026

The beautiful **Aqua Turf Club** is located in Plantsville, CT. This family-owned banquet facility is located on over 35 wooded acres in a lovely suburban setting. **Rob Zappulla Celebrates Herb Alpert and Sergio Mendez** is today's high-energy concert at Aqua Turf. Rob's incredible trumpet-playing skills are front and center as he is joined by sensational vocalists Alta DeChamplain and Leala Cyr. We'll follow Herb from the beginning of his career with the Tijuana Brass throughout his solo career. Rob also showcases Sergio Mendez & Brazil '66 in this one-of-kind, unforgettable afternoon of music and song. Past reviews of this show say "the group showcased world-class talent, infectious energy and with a rhythm and beat you couldn't help but move along to!"

Rob grew up in Connecticut and began studying the trumpet in the fourth grade after hearing a recording of 'The Brave Bulls' by Harry James and then was captivated by the music of Herb Alpert. He continued his studies through high school and college and at the age of 19 began singing and recording professionally. Rob has toured with several groups opening for The Temptations, The Count Basie Orchestra, The Duke Ellington Orchestra, and Bobby Vinton to name a few. Rob's talent as a jazz and trumpet player led him to performing as a soloist in several big bands including The Tommy Dorsey Orchestra. His additional experience as a theater pit orchestra musician and musical director brought him to start his own big band in 1991– the Rob Zappulla Big Band Jazz Ensemble.
