James Taylor/Simon & Garfunkel Tribute Show

Good Acoustics, featuring Mike Smith, Dave Fazio, and Bill DeSanty, have been performing professionally in numerous bands all over the East Coast for over three decades. This acoustic-rock trio is well known in the Western MA area for their emphasis on strong vocals, with all three members contributing as lead singers, and each contributing to the three-part harmonies found in most songs they perform.

Singer and drummer Bill DeSanty is the featured vocalist in the James Taylor tribute set, which is comprised of live and studio versions of James Taylor classics. His spot on rendition will keep you mesmerized throughout his entire performance!

It's been nearly 45 years since Simon & Garfunkel split at the height of their fame, a fact that continues to motivate Mike Smith and Dave Fazio's passionate tribute to this incredible duo, and inspires their spot-on renditions of all the beloved Simon & Garfunkel hits. Mike & Dave bring 40 years of singing two-part harmonies, and excellent musicianship, to the stage.
