## The Daniel Webster Inn

Tuesday, May 21, 2024

Located in Cape Cod's oldest town of Sandwich, today's trip highlights some of the best Massachusetts has to offer. Oozing with quaint New England charm and character, the town has been a destination for those near and far. Our first stop is **Dan'l Webster Inn** for luncheon. This public house, or "Ordinary" as it was first known, was built in 1692. The building was used as a parsonage until the 1750s when it became a tavern and Patriot headquarters during the Revolution. It later became a favorite place of Daniel Webster for whom it was subsequently named. The Grand Buffet Luncheon is an outstanding example of the Inn's fine cuisine. In addition to salad, rolls & butter, seasonal vegetables, dessert and coffee or tea, the buffet will include the following:

### *Coq Au Vin*

*Chicken tenderloin with mushrooms, peas & pearl onions in roasted chicken gravy*

### *Pasta Primavera*

*Pasta and fresh vegetables in a creamy Parmesan cheese sauce*

### *Broiled Native Scrod*

*Seared with olive oil and cracker topping*

After luncheon we head to the **Heritage Museums and Gardens**, a secluded botanical garden on the banks of Shawme Pond. Late May is the best time to enjoy the explosion of spectacular blooms of rhododendrons and azaleas among others. Photograph yourself surrounded by walls of flowers and immerse yourself in the story of Heritage's fascinating rhododendron legacy on a self-guided walking tour. Take time to enjoy some of the prized collections at the museum as well in the American Art & Carousel Gallery and the J.K. Lilly III Automobile Gallery.
