## Greetings!

*"For everything there is a season, and a time for every matter under heaven: a time to be born, and a time to die;..."*

— ECCLESIASTES 3:1-8

At this moment our club is saddened as we mourn the loss of our President Tom Cullinane. It was Tom who guided our entire leadership. I am at once humbled and honored to be part of the leadership team that Tom mentored.

It was Tom who brought reason and direction with his calm and focused demeanor.

It was Tom who instilled confidence within us.

It was Tom who brought us out of the doldrums with his wit and subtle, yet powerful, humor.

It was Tom who brought us all smiles as we joined him in singing the "Cullinane" song.

It was Tom who guided me as a mentor and teacher to serve our club and our membership.

Tom is one of those Giants who lifted the Retired Friends Club of Greendale on his shoulders. He was a man of dignity, of highest character and strong faith. He was a graduate of the College of the Holy Cross, and a proud US Army veteran. Tom and his wife, Gale, led many trips throughout the world, always serving our members with excellence and kindness.

On behalf of our entire membership, we extend our deepest sympathy to Gale and Tom's family.

As we enter November we honor and recognize all veterans. We also anticipate the feasts of Thanksgiving with families and friends. Our programs on Wednesday mornings are certain to be exciting and great fun. I encourage you to come in and bring someone with you. Stop by and introduce yourselves to me. Tom would have it no other way.

— RICK FERGUSON, 1st Vice President

For the rest of this 2023-2024 club year, former president, **Jim Hester** has graciously agreed to fill the seat of **Acting President**. This will afford the other officers the necessary time to learn and perform their important rolls while we as a team navigate the final stages of the process of incorporating women members in the months to come.

— Thanks for serving again Jim

### Nov 8 A Vet's story - "If I ever get home alive ..."

A combat Marine in Vietnam, **Peter Tokarz**, has led an extraordinary life with a fifty year career of federal and state aviation. During a ferocious attack by the North Vietnamese forces he witnessed several other Marines become casualties. A fighter pilot repulsed the enemy until he was shot down. The pilot parachuted to safety. Feeling thankful for the aerial help his battalion received, Tokarz made a lifelong promise to learn how to fly. He has flown all over the world keeping his commitment for 50 years!

**"Retired Friends Club of Greendale".**

### What's Next?

All women newsletter subscribers who have paid their subscription dues on 5/1/23 or later are now full fledged members and able to take advantage of all club activities and benefits.

Moving forward, we will eliminate the newsletter subscriber category. Anyone over 55 (man or woman) can now join the club.

This change of name and criteria for joining does not change anything about the club's mission that the founder envisioned 70+ years ago:

**To provide opportunities  
that encourage camaraderie  
and fellowship.**

Stay tuned for more details in the Dec newsletter.

## How Sweet It Is!

On October Third to the Fifth we traveled to Pennsylvania Dutch Country. We stayed at the Country Inn of Lancaster which was very quaint with Amish quilts on each bed. Our first musical was at the Dutch Apple Dinner Theater and the show was Jimmy Buffet's "Margaritaville". The show was great and all the top Jimmy Buffet's songs were woven into the

show. The buffet was delightful and all travelers were able to mingle with a margarita drink. The next day we had a tour around Lancaster with three stops in which we were able to mingle with the Amish Community and have the best pretzels in the state.

Sight and Sound Theater was the next stop to see the SHOW "MOSES". The show was spectacular with the stage scenery and props. The live animals and the way they did the parting of the sea was awe-inspiring.

Last but not least was the trip to "HERSHEY CHOCOLATE WORLD". We experienced the "Hershey Unwrapped" with a chocolate tasting show. We had a ride on the Hershey factory tour which showed how you make chocolate. Finally we had an hour to buy all the chocolate in Pennsylvania. HOW SWEET A TRIP IT WAS.

## Remembering Our Dear Friend Tom Cullinane - - A True GIANT !

The logo on the newsletter for "The Retired Friends of Greendale" reads On the Shoulders of Giants. **Tom Cullinane** is one of those Giants.

I use the present tense because even though his earthly body is no longer with us, his impact on all of our lives will live forever.

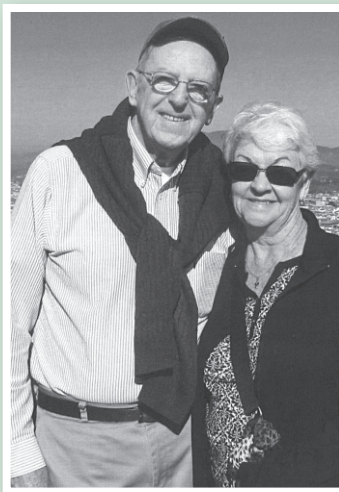

Many will remember Tom and Gail as gifted, sympathetic, and compassionate trip leaders to all parts of the world. They were legendary, as he showed the membership in his slide presentations at our YMCA meetings. We all felt as if we had been on the trips with them.

But, to me and so many more, Tom was so much more than that. He was not only a mentor, but a friend and confidant. As a College of the Holy Cross graduate, he embraced the credo of "Service towards others" both in his professional career in the health industry and in his personal and family life.

But it wasn't all about that. To see him interact over these past 20 years with each and

every member who came and asked him a question or was looking for information, was a revelation. He made every person feel like he or she was the most important person in the room. That is a very rare quality indeed.

Still, Tom had a great sense of humor and wasn't above poking fun at himself. The best example was probably "The Cullinane Song".

His impact on all our committees and rules and by-laws will stand as long as our organization stands. He is one of a kind and we won't ever forget not only his contributions but his attitude, congeniality, wisdom, and common sense. Tom, you will never be far from our thoughts. We will always say, "What would Tom Cullinane have thought we should do?" That is and always will be a really good thing. Rest in peace, Tom. You've certainly earned it.

—Respectively submitted by Paul R. Daley
