WORCESTER, MA

OF GIANTS

FOUNDED 1952

Greetings!

APRIL SHOWERS BRING MAY FLOWERS, AS THEY SAY. The month of May was named for the Greek goddess Maia, who oversaw the growth of plants.

- May 5 is CINCO de MAYO day that celebrates the victory of the

Mexican army over the French army at the Battle of Puebla in 1862.

- May 12 is MOTHER'S DAY. MEN YOU HAVE BEEN WARNED !!

- May 27 MEMORIAL DAY is for honoring and mourning the U.S. military personnel who died while serving for the UNITED STATES.

- May 28 is ARMED FORCES DAY, which honors those who serve in all branches of the United States Military.

The golf season has started at Green Hill, Pine Ridge and Quail Hollow and I have a few jokes about Golf.

Golf balls are like eggs.

They're white, sold by the dozen, and a week later you have to buy some more.

Why do golfers always carry a spare pair of trousers with them? – In case they get a hole in one.

After a particularly poor round, a golfer spotted a lake as he walked despondently up to the 18th hole.

He looked at his caddie and said, "I've played so badly all day, I think I'm going to drown myself in that lake." The caddie, quick as a flash, replied, "I'm not sure you could keep your head down that long."

Please note, that many of our trips are filling up fast, so sign up as soon as possible. The Membership committee is doing a great job getting new members which is helping to fill many of our trips faster so sign up for trips you are interested in as soon as possible so you don't miss out.
