Steamboatin' on the Mississippi

American Heritage * Upper Mississippi

St. Louis to St. Paul * September 5-13, 2025

Set off on an exhilarating journey down the magnificent Upper Mississippi River, where every moment resonates with the essence of hometown Americana and the breathtaking beauty that has captivated the imaginations of our nation's most revered writers, artists, and musicians. We fly into **St. Louis** and enjoy luxurious accommodations at the **Embassy Suites Downtown**, centrally located. Enjoy a welcome reception and breakfast at the hotel, then explore St. Louis with a local guide before boarding our elegant paddlewheel steamboat – the **American Heritage** – for our 7-night river cruise from St. Louis, MO to St. Paul, MN. Enjoy turn of the century elegance aboard the **American Heritage** riverboat, which combines modern amenities with design elements from the early 19th Century steamboat era. The 150-passenger riverboat offers exceptionally large staterooms – most with balconies – 7 lounges, complimentary cocktails, free WiFi, exceptional cuisine and included shore excursions. Enjoy a relaxing day of river cruising before exploring **Hannibal**, Missouri, the muse and boyhood home of **Mark Twain** who brought this lovely region to life through his writings. Following another day of cruising and enrichment programs, we call on **Muscatine, Iowa**, a charming town that was once the world's largest button manufacturer and now offers eclectic boutiques, cozy cafes and historic sites. Next stop is **Dubuque, Iowa**, where Victorian meets Bohemian. Admire one of the finest Tiffany glass collections in the world at St. Luke's Church, the National Mississippi River Museum, a local winery or the world's shortest and steepest scenic railway. There's also a premium excursion to Iowa's **"Field of Dreams"** where the famous baseball movie was filmed. Our next port, **Winona, MN**, is a gem of a city renowned for its stunning bluffs, picturesque riverfront, and blend of cultures. Enjoy striking architecture, the Minnesota Marine Art Museum or an optional wilderness experience. Next we visit Red **Wing, MN** – an historic port city that houses a National Eagle Center as well as a military museum. Finally we disembark our riverboat in the capital city of St. Paul, MN where we transfer to the nearby Minneapolis= St. Paul Int'l Airport for our return flight home.
