

Join the RETIRED FRIENDS CLUB of GREENDALE on a cruise to...

Newfoundland, Greenland & Iceland

14 Nights aboard the **Norwegian Star**

plus Reykjavik post-stay featuring The Blue Lagoon

July 12-27, 2025

Explore dramatic scenery and natural wonders on this North Atlantic cruise from New York to the **Canadian Maritimes, Greenland and Iceland**. The **Norwegian Star** features Freestyle Dining with 13 restaurants and 10 bars and lounges (try the open-air Bier Garten). Join the party at the liveliest nightspots on the ship, enjoy an impressive array of entertainment in the theater, world-class casino or relax in the Roman Spa & Fitness Center. Enjoy **four free perks** onboard (or 2 for inside cabin), including the **Ultimate Beverage Package** (free drinks), Specialty Dining (2 or 3 dinners), Free Wifi (250 minutes) and Discounted Shore Excursions (\$50 off per excursion per cabin).

We'll motorcoach to **New York** to board the Norwegian Star and enjoy a relaxing sea day before docking in **Halifax**, Nova Scotia's capital and the world's second largest natural harbor. Choose to visit The Citadel or enjoy a lobster lunch in picturesque Peggy's Cove. Next are the islands of **St. Pierre & Miquelon**, the last remaining French territory in North America where you can explore wilderness and marine life. We dock next in **St. John, Newfoundland**, Canada's oldest city combining small town charm and big city culture. We'll enjoy two leisurely days at sea before arriving in **Nuuk**, Greenland's capital at the mouth of an expansive fjord. Discover friendly boutiques, vibrant cafes and a fjord system populated by whales, seals, walruses and more. From Nuuk we will visit two more ports in Greenland that have been inhabited for nearly 4,000 years. **Paamiut** is a former fishing village that is now home base for outdoor adventures from hiking to kayaking, birding and wildlife tours. Finally we'll spend a day in South Greenland's largest town, **Qaqortoq**, filled with history, culture, Norse ruins and hot springs. From Greenland we spend two relaxing days at sea en route to **Iceland** and its amazing natural wonders. First is **Akureyri**, nestled along a breathtaking fjord and the center of Iceland's folk culture. Enjoy museums, botanical gardens, Nordic cuisine and the world's northernmost golf course. Next is **Isafjordur** in the remote Westfjords region of Iceland, with its mountainous landscape and 15th Century historic sites. Finally we dock in the capital of **Reykjavik**, a photographer's dream with stunning terrain, hot springs, lava flows and a flourishing music and restaurant scene that rivals any in Europe. Here we will disembark our cruise ship and meet our local guide for a scenic tour of the region before checking into our 4-star hotel where we'll enjoy a 3-course dinner. Following breakfast the next morning we depart our hotel for further touring, ending at the famous **Blue Lagoon** – a geothermal pool where we can relax and rejuvenate in the hot natural baths, experience a silica mud mask treatment and a cocktail (with restaurants on site for lunch on own). Afterwards we depart for Reykjavik Airport for our non-stop return flight to **Boston**.
