On Day Two we enjoy breakfast and free time to explore, then transfer to our cruise ship in Milwaukee. Boarding our cruise ship on day two we enjoy another overnight in Milwaukee with included excursion. On day four relax for a full day of cruising on **Lake Michigan**, then dock the following day at historic **Mackinac Island** where Lakes Michigan and Huron come together and no cars are allowed. Take a horse-drawn **carriage tour**, visit the fudge shops on Main Street, explore Fort Mackinac and the magnificent **Grand Hotel** which has sweeping views from “the world’s largest porch”.

Our next port, **Sault Ste. View the fascinating **Soo Locks**, largest in the Western Hemisphere. On day seven we relax with **scenic cruising** of Lake Huron as the onboard Naturalist discusses the wildlife, birds of prey and Great Lakes history. Our next port is the “motor city” of **Detroit** with its auto and music history. Visit the Detroit Historical Museum, explore the bustling Eastern Market and enjoy a show at the Fox Theater. **Cleveland, Ohio** is our next port of call on the shores of **Lake Erie**, boasting iconic attractions like the world-class **Cleveland Museum of Art** and the **Rock & Roll Hall of Fame** – both among the stops on your Hop-On, Hop-Off tour.
